

CEI-RD is the official Agency responsible for the promotion of international trade and Foreign Direct Investment (FDI). It was created product of the fusion of the Center for the Promotion of Exports of the Dominican Republic (CEDOPEX) and the Office for the Promotion of Investments of the Dominican Republic (OPI-RD), according to Law 98-03, effective as of June 17, 2003.

This Institution is comprised of two main operational areas:

Functions

- Promotion abroad of the country's export offering
- Development of support and training programs for potential exporters (PYMEX program and "Creating Exporters")
- Training, Incubation, and Acceleration of Exporting Companies.
- Promotion of the country's advantages to attract foreign investment
- Coordination with other government institutions related to foreign trade in the interest of achieving an expedient and efficient flow of exports and investments in the country.
- Promotion and development of FDI and business from the CEI-RD offices abroad, actually in Miami, New York, and Chicago. Also throughout the Foreign Service network. Offices opening soon in Puerto Rico and Silicon Valley.
- Participating actively in trade negotiations and administration of resulting agreements
- Contribute to the improvement of the legal framework and its proper application
- Programs to support exporters, and the simplification of the export process (automation and cost and time reduction, for example, SIVUCEX Program).

Services

- One stop shop for exports
- Specialized consulting
- Technical assistance in meeting the regulations and norms required for the export of goods and services
- Validation of Certificates of Origin
- Technical assistance relating to Trade Agreements
